

# Action Plan

---

## Legislative

- House Bill 208, “An Act Providing for a Free, Comprehensive, and Progressive National Public Health Care System” filed by Alliance of Concerned Teachers Partylist, Kabataan Partylist, and Gabriela Women’s Partylist, plus 24 other related bills on health services provision
- Formation of health workers’ partylist to promote health and ensure representation in congress

## Community-based health programs (CBHPs)

- Basic health skills training of community health workers
  - Expansion areas: Diocese of Novaliches; Pinagbuhatan, Pasig
  - New areas: Dasmariñas, Cavite
- Following up, monitoring, and revitalization of other CBHPs
  - Priority areas: Negros Island Health Integrated Program for Community Development (NIHIPCD)

## Information and education campaigns

- Education campaigns and release of educational materials on failure of Philhealth (national health insurance system) and impact of privatization on health service delivery

## Research

- Paths to nationalize health care
  - Effect of underinvestment in health on health workers and health service delivery
  - Occupational health and safety
- 
- 

# Action Plan

---

## Expansion and maintenance of networks

- Local: organizations on governance, consumer rights, human rights (Karapatan, Gabriela)
- International:
- Engagement with national government agencies: NEDA, CHR, DTI, congress, senate
- Engagement with local government units: Pasig City

## Monitoring of compliance to recommendations by UN Periodic Review

## Mass movements

- Demands for release of One COVID-19 Allowance for frontline health workers

## Others- direct service provision and relief operations

- Bontoc, Mountain Province
  - Negros Oriental: militarized area with multiple reports of human rights violations and media blackout
- 
- 

Thank you!
